About the Dorsett Mongkok, Hong Kong

The Dorsett Mongkok, a contemporary-flavoured 4-star hotel, is located in the heart in one of Hong Kong's liveliest areas that includes popular markets, shopping streets, hawker stalls, and extensive malls. In the middle of one of the densest populated places on the planet, between the Mongkok and Tai Kok Tsui districts, the visitor need not go further afield to experience all that Hong Kong has to offer. This is particularly important for the time-stretched visitor. Guests choose Dorsett Mongkok not only because the quintessential Hong Kong lies just outside its doors, but because it is "affordable luxury" for the budget-conscious traveller. Guests prefer to spend their dollars on experiences rather than just four walls.
