### **About the Dorsett Mongkok**

The Dorsett Mongkok, a contemporary-flavoured 4-star hotel, is located in the heart in one of Hong Kong’s liveliest areas that includes popular markets, shopping streets, hawker stalls, and extensive malls. In the middle of one of the densest populated places on the planet, between the Mongkok and Tai Kok Tsui districts, the visitor need not go further afield to experience all that Hong Kong has to offer. This is particularly important for the time-stretched visitor. Guests choose Dorsett Mongkok not only because the quintessential Hong Kong lies just outside its doors, but because it is “affordable luxury” for the budget-conscious traveller. Guests prefer to spend their dollars on experiences rather than just four walls.

What sets the Dorsett Mongkok apart from other hotels is its friendly service, extensive local knowledge, and willingness to go out of its way to ensure that its guests have the best possible time while in the city. Because of this service ethos, the hotel has been TripAdvisor’s Recommended Hotel for seven straight years in a row.
